2. Based on the PCP's user preferences, the HIE generates an email message and/or a mobile text alert. The email/text alert **does not contain PHI** but does contain basic information and a hyperlink to the HIE portal.

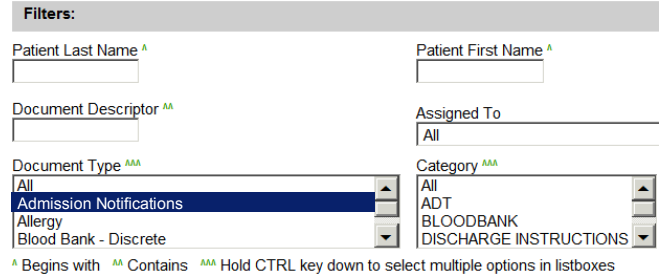

3. Select the **hyperlink** to be redirected to the HIE portal.
4. Enter your **Username** and **Password**.

5. The screen defaults to the Results Inbox. If the Results Inbox is not the landing page, select the **Results** tab in the navigation menu.

6. For a Document Type search, select **Admission Notification, Discharge Notification, ER Visit Notification.**

7. Search for multiple descriptions within a listbox by holding the **CTRL key** and clicking the **Document Type**.
8. Select **Apply Filter** or hit **Enter**.
9. Select the **patient's name(s)** to view the notification details.
